

SBE Chapter #78 Blue Ridge Area of Virginia
Meeting Minutes
May 26th, 2010

Tom Atkins, Program Chairman, led the meeting due to family emergency by John Gochenour, Chapter President. The meeting started at 12:08p.m. Tom welcomed all in attendance and had everyone introduce themselves.

Both the Treasurer's report and the Secretaries Report were passed.

Old Business:

Tom asked about the Broadcast General Store Show to be held on June 17th in Roanoke. He suggested that we help in some capacity with the show. He is going to touch base with Cindy Edwards to find out more info as well as offer our Chapter's help.

New Business:

Tony Mancari, Certification Chair, spoke about the new Cert Preview which is being offered by SBE National on its website. He invited everyone to check this out.

Tom asked when we should have our July meeting and if there were any suggestions on ideas for that meeting. One suggestion was a trip to visit the digital studios at WVIR in Charlottesville. Bob Jenkins, Central Region Frequency Coordinator, said he would contact Tom Atkins with available dates in July for this visit.

Al Stephens, Chapter Treasurer, spoke about online classes that are now available on the SBE Website. He is currently taking one in Basic Networking and is finding it very informative.

Tom asked if there was any new Business. With none being offered, he closed the meeting at 12:20p.m.

Tom, then, introduced Bob Bush of Evertz Microsystems who gave a program on Fiber Optics.
